TOWN MEETING

3/22/12

Precursors:

- SAB - no reps present.
- Staff Mtg - no.

Announcements:

- It's World Water Day! Special assembly tomorrow to highlight H2O for Life and World Water Day. The purpose of World Water Day is to raise awareness about the water crises. Please come to the assembly tomorrow. Only 20 minutes. There will be music and videos.
- H2O for Life 5K. April 21st @ 8am (registration online via school homepage). iPad raffle for HBW students who register. Must be present to win. Money goes to a secondary school in Haiti. Run takes place at Potomac Overlook park. There are lots of incentives involved. The iPad will be for HBW students only. Please come!
- Lower field update. Field is still ****closed**!!!** Field will be assessed in early April to see when it will be viable. We hope it will be opened soon. We went over this last week. Some people need to be reminded.
- Scholastic Art exhibit is at Central Library through March 28th. Catalogue of who won on the Town Meeting bulletin board. Please go to see the artwork and support our fellow students. It'll be cool.
- Early release is (obviously) not today. Has been changed to April 12th, in the hope of having more input on final budget numbers. All students/staff/community encouraged to attend after-school meeting that day to discuss allocation concerns (i.e., will we lose teachers?)
- Growing food for AFAC - Julia V. There are plots by the trailers for growing food so we are going to use them to grow food for AFAC. See Julia for details about how you can volunteer.
- Go boating and crabbing on the Chesapeake. See Alison soon. Applications are due by the 30th.
