### TOWN MEETING

6/14/12

#### Precursors:

- SAB - no.
- Staff Meeting - no.

#### Announcements:

- MS Band performance, today @ B. Other musical offerings tomorrow! Stop by.
- Get all library books in \*now\* please.

#### Motions:

- Change the name of Arena Scheduling to Coliseum Scheduling - Finlay McCracken. Not present. Indefinitely tabled.
- More Badminton Birdies? - Jacob Hall. The waning number of "shuttle-cocks" available in the gym are falling apart. Can we buy more? Seems like a good idea. Frank is supportive, also says Sally should get involved, she has the budget for this. Tori is also willing to share neon birdies she picked up at Tuesday Morning. Only .99 a bag! Frank will reimburse any student who purchases these and brings him a receipt. PASSES unanimously

#### Discussion:

- Eliminate Town Meeting in favor of a seven member student council (one student from each grade) to approve clubs and dances. Reasoning: Neither staff nor students attend Town Meeting to any great degree, and passed motions (such as "no gaming on school computers") are blatantly ignored. This also gives everyone another free block, which is what most people use Town Meeting for, anyway - Joe King. Student states that the gaming rule was ignored, but not so much now. Someone states that Joe King (i.e. Joking) is not serious, discussion is dropped and TM is adjourned.
