### Discussion

- Halloween Special Schedule - clarification of blocks. Several schedules went out showing incorrect blocks that day, that Friday. Frank handed out updated/corrected calendars. You can wear costumes!
- Using crosswalks! HBW students reported running across Lee Hwy and other major streets. Don't know who is doing it, but neighbors call Frank to report. Use paper, scrolly, other methods to get across to students this is not a good idea. Maybe get police officer to make sure traffic is safe so drivers are paying attention to students. Write to county to put up a sign. Frank requested crossing guard at Lee Hwy & Military for 6<sup>th</sup> & 7<sup>th</sup> graders walking from Clarendon, but request has not yet been granted.
- H-B Woodlawn still having some issues due to construction. AC will not be as extreme once they get the heating system up to mitigate the over-exuberance of the air conditioning. About two and a half more months. They have removed the trailer in the lowest parking lot, will re-open it soon. Unrelated note: Construction impacted on PA, which is why we can't hear it but Stratford is. Working on it. Want you to hear the music!
