DISCUSSION

- Thefts continue – new jackets from unlocked lockers in addition to ongoing issues with electronics. Lock your locker! Do not leave items unattended! Report *all* thefts, regardless of value.
 - (Procedural Motion to recess until an Administrator shows up — PASSED Tori does a great stand-up routine while we wait. Recess ends when Casey arrives.)

Parents are talking because of increasing numbers of stolen jackets, want ideas about what to do. Unlocked lockers and leaving things in gym are part of problem, what can community do? Locks are now in school store. People don't saw off locks as far as we know. Most lockers can be opened even if they are locked as kids don't fully lock them. Many thefts are during school hours, but we don't know since most are not reported.
