MOTIONS

-

- Broken Water Fountain – First Level outside Rebecca's room, will continue dispensing water until someone comes to stop it. Frank will put in a work order. It's been happening on and off for the whole school year. Waste of water. Custodians have been told. Please fix it. Motion PASSES.
- Winter Formal 2013 – Senior class is putting forth February 15th. Charging \$12 for individuals, from 8-11:30. Proceeds go to Senior class and a charity. Anyone in grades 9-12 welcome. All necessary teacher/admin chaperones have been secured. Motion PASSES.

DISCUSSION

- Frank's new item-lock down drill discussion – quickest one the police have seen but the next one will be between classes. Students should go into the nearest room. It will be a "different shape" than the last one which occurred during class time. It won't be announced ahead of time. This is the only announcement, it will be "some" Tuesday at 10:15 in the next six weeks but we don't know which Tuesday. Where should students go if in cafeteria? We will talk about it during staff meeting Wednesday, and have teachers go over scenarios with A and B block classes. All students outside building will not get in to the building. Last drill took approx 8 minutes. We expect next one to take same amount of time.

Chair: Will Hubbert

Co-Chair: Julian Cohen

Secretary: Graham McBride
