- Outside teachers for music. David George, HBW alum and Bass player, \$100 and Amy Domingues, cellist, \$200 to work with the Orchestra. Risa Browder. We have no bass players this year. Dave is great working with the students and he's done this before. Amy is a cello player who also plays electric cello, maybe she could do a demo of the electric cello? Motion PASSED

There was a brief recess while we waited for the recognition. Fun was had by all as there was a competitive recitation of the first 75 digits in Pi. Applause for the effort.
