MOTIONS

-

- Scholarship Committee, Liz. Students can nominate now through June 4th. Scholarship committee, adults only. Several scholarships: Ray Anderson, Judy Mayeux, Pat Reiley, Michelle Gardner-Quinn, Teacher, etc. Many of these people helped make HBW what it is today. Motion PASSED.
- Hiring committees: Engineering II, MS Math, Business Education. Frank. Engineering – unfortunately, J.C. Parry cannot teach a second block. Math – Neal's position is reconfigured to be a middle school Math class. This will be full-time. At least one class will be HILT, would be good to have someone with that background as well. Business Education – Reina is going back to full-time 6th grade English. Motion PASSED unanimously.

DISCUSSION

-

- Ice Cream Truck? A neighbor has complained about trash, noise, etc. Several concerns, including blocking traffic and health issues for students. We cannot make him move – police officer has checked and his paperwork is in order. Zoning does not prohibit his sitting there in the last hour or so of school. All other high schools have several trucks which sit near their property during lunch/after school. He cannot come *onto* the property, but he can be on the street. Frank will explain this to the neighbor. Any other ideas, thoughts? No. Meeting adjourned.
