#### Discussions

-

- Earth Force 2014. A group of students from the Earth Force group did a presentation on the "Turn Off the Lights" initiative on April 26<sup>th</sup>. They will post signs around school with details.
- CIP. Tom Mallan. We need to keep up the efforts at this critical juncture, even with many folks out for Music trip. Come to "Community Conversation" on Saturday. Particularly need students there. Many in community don't know about us, so they see HBW as something that can easily be cut. Hard call on the relocation issue – no bad guys, everyone has a stake. Keep up the communication – let folks know who we are, what we are about.
