TOWN MEETING HBW

3/8/16

Precursors

-SAB: What constitutes a whole child and expansion of high schools (and more high schools built in future is possible)

Announcements

Pi Day: Next Monday During TA in the Cafeteria (you can win a pie). Cost \$1/\$5 and money goes to different local charities

International Women's Day: Celebrate women's achievements and history

March Madness: Bracket downstairs and can vote on competitions between books

Battle of the Bands: Looking for people to participation outside and inside of HB, haven't planned a date yet.

Motions

Anime and Manga Club: Meet on Wednesday's at lunch in the library, Maggie is teacher sponsor. Can add books to library if any new anime/manga books are of interest. Motion passes (unanimously).

Community Day: At HIVE meeting (Monday 3/7) decided to have community day on May 13 for half day in the afternoon (12:30-4). No exams during that time and frisbee teams leave for tournament at lunch or earlier (if community day takes place), so many missing class anyway (2 teams of 28 players or so). Specifics (i.e. who is involved, organizing) will be finalized after date is confirmed. Tweak classes to fit more in? Expo to understand options of service. Activity period could help with sign ups or actual day. Activity blocks we have are already filled with other activities. Motion passes.

Discussions

Bathrooms: To put sanitary disposal bins in the boy's bathroom stalls. Casey ordered 4 so there will be one in every bathroom, but not every stall. In the new building, they discussed the importance of this and don't have a concrete plan/idea of what will happen.

Chair: Aidan Walker

Co Chair: Tom Byron
